

# Quim Cycle

*It's laundry day, but cooze-loving Donna, Samantha St. James, and Doris seem to be more interested in cleaning each other's pussies: Donna gets the cycle going by scrubbing Samantha's bleach-white tits with her tongue. Doris, tired of separating her whites and colors, takes it upon herself to rid Samantha's cunt of any unwanted stains by licking it clean. Before long, Doris and Donna switch places. By the time their clothes hit the spin cycle, this trio has experienced all the flavors that their pussies have to offer. We can't wait to see what they do when they fold.*

# Nikki

**B**ig-titted blonde Nikki may only be 20, but she's wise beyond her years. She knows her perfect body is scalding hot, so she displays her full, round breasts and perfect muff to anyone who wants to see them. "Give me a few rays of sun and I'm a happy gal," purrs Nikki as she spreads her long legs to let the sun lick her hot pussy. "Anytime I can get naked and cum is the best time!" Frankly, watching you cum is the best time we can think of having, Nikki.

# Bethany

**S**he has a house full of furniture, but the hard marble floor seems to be the only place where big-titted Bethany can get comfortable. "Stroking my pussy on the cold tiles is unquestionably my favorite activity," Bethany says. "I can play with my tits and clit anywhere, but when I'm stretched out on the floor, that's when I really enjoy myself." Bethany shows just how much by plunging her fingers deep inside of her pussy. After a 30-minute quim massage, Bethany's tits get the same treatment. We wonder how she reacts to carpeting.

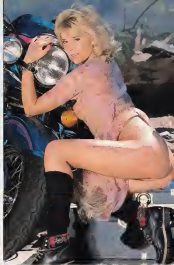

**B**eaautiful, blonde Joanne has been meaning to take a ride on her brand new motorcycle. Everytime she tries, however, she is overcome with an overwhelming need to finger her pussy. "I would love to go for a long ride," Joanne says, "but I love playing with myself a lot more." Joanne makes it as far as her driveway before she pulls off her panties and spreads her legs. In no time, her fingers have her clit humming like a Harley Davidson. She then oils up her tits with her own cum. That's what we call a lube job. Joanne may never get to cruise on her bike, but her pussy is certainly tuned-up.

## LINDSAY'S SEX EDUCATION

**F**resh and fuckable Lindsay has been staying after class to work on her math skills. Her professor leaves the room for a minute, however, and the 18-year-old has her clothes off and her fingers through her tight folds. "Math frustrates me," Lindsay says. "The only way I can keep from going crazy is by stroking my tits and pussy." As she thinks about how to find the square root of 152, Lindsay rubs her clit with her left hand and her tits with her right. As she ponders the wonders of long division, Lindsay rubs her jazz on her nipples. She may never be a good math student, but she's discovered that fingers + pussy = cum.

# PUSSY IN BOOTS

**H**er kinky sex party two hours away, Theresa jolts time by wandering around her tastefully decorated Bel Air mansion wearing nothing but her leather outfit—which will give everyone a good look at her ample tits. As Theresa wonders which of her leather-wearing guests she'll fuck first, her pussy begins to moisten. Knowing that she won't be able to wait for her friends to arrive, Theresa sits in her favorite chair—imported from France—and begins to stroke her snatch. She works herself so deep into a world of sexual delight that she doesn't notice her jazz has stained the chair. Her sex guests haven't made it yet, but Theresa's party is well underway!

# Lesson From **Lexus**

**H**ot porn star Lexus considers herself an expert on cocks. "I can tell everything about a guy by the way his dick tastes in my mouth and feels in my pussy," she says as she takes Robby's rod between her lips. Lexus begins her analysis of Robby by slowly licking his head. She then fits her entire mouth over his shaft. After she swallows a hot load, she spreads her legs and fucks her guy silly. "From the texture and thickness of Robby's cock," Lexus continues, "I can tell that he doesn't like to talk very much." As long as Robby can fuck, that's fine with Lexus!

# Catherine

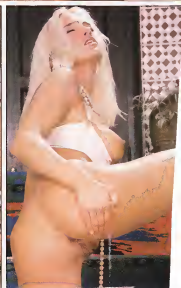

**C**atherine is anxious as she prepares for her third appearance **HIGH SOCIETY**. "I want this photo shoot to be a little different! I really want all those horny guys out there to know that I'm dyin' to suck on their cocks, and to fuck them really hard and fast like never before. Do you think they'd like to hear me say that while they look at my pussy? I'd love to make them really hard and then make them cum. Should I tell them that?" Catherine, we think your perfect body says it.

# Menage a Twat!

*"I love to be fucked by more than one dude," cum-craving Pam says as she gazes at Jack and Mano's rock-hard cocks. "There is no better way for me to start a day than having Jack's shaft in my mouth while Mano rams my pussy from behind. The real fun begins when they drop their loads. Hot cum in my pussy and throat simultaneously is better than ice cream. Some time around noon, Harry shows up and I get ready to take on a trio of rods. I practically swallow Harry's dick as Jack and Mano fill every opening that exists below my waist. I just started doing it, but now three at a time is a regular part of my life." What life wouldn't be hotter with this kind of raunchy sex in it to spice things up*
